# Training

| 2017 | Sitecore demo training program |
|------|--------------------------------|
| 2016 | Ucommerce Sitecore certification (4 days masterclass) |
| | Sitecore® XP 8 Upgrade for .NET Developers Certification |
| 2014 | Website .Net developer for Sitecore 7 |
| 2013 | Microsoft Specialist in Html5 with javaScript and CSS3. (I can share the transcript under request) |
| 2011 | Course Microsoft Test Manager y Lab management (TechHouse) |
| | Development of Silverlight projects and (XAML, LINQ,EF,WCF) and asp.net ajax enabled websites 40h Coepa |
| | Course "DDD (Domain Driven Design) NLayer .Net" (Microsoft) 3 intensive days course at "Microsoft Iberica" headquarter at Madrid |
| 2007 | Course "Editing spatial data with ArcGis" 20h (Esri) |
| | Seminar "Creating web services with 3d GIS spatial data" (Esri) |
| 2006 | Working day: Solutions for developing applications with geographic functionality (Esri) |
| 2005 | Course "Advanced programming with VStudio 2005 C#" 30h (Danysoft) |
| | XML seminar 20h (Actea Integradores) |
| | Information speaking about risk associated with data viewer screens 3h (Amaem) |
| | Working day: "Effective use of Raster data with ArcGIS (Esri) |
| | Course "Olap on db2" 15h (Actea Integradores) |
| 2004 | Technical Conference: Autodesk Solutions for Cartography and GIS (Autodesk) |
| | Course "Advanced programming for .NET with C#" 38h (Danysoft) |
| | Course "Autocad Geographical information system autodesk map 2004" 15h (Aplicad) |
| 2003 | Course "Basic administration on db2 UDB v8" 30h (Actea Integradores) |
| | Course "Advanced programming on db2" 30h (Actea Integradores) |

# Skills

**Knowledge acquired over years of experience in:**

Sitecore, Glass, TDS, Unicorn, MVC, Microsoft DevOps, Mongo, Solr, Sitecore Rocks, Log parser Lizard, Github, Git, Azure, .Net, MVP, Asp.net, WinForms, C#, html, CSS, JavaScript, Ajax, Jquery, webservices, Ado.net, NHibernate, Visual Studio, Visual Source Safe, Team Fundation Server, SVN, Tortoise, Agile, Scrum, Sql, Microsoft Sql Server, Mysql, Db2,Access, ArcGis, G.I.S., IIS, Windows Server, active directory, DNS, DHCP

**Knowledge for specific / sporadic jobs:**

Autocad, Unix Servers (RSx), Delphi, Oracle, PhotoShop, FireWorks, DreamWeaver, API Google maps, php, asp 3.0, vba, vmware

# Formal Education

| 2000-2002 | **IT Engineer** |
|-----------|-----------------|
| | College Marcos Zaragoza: Network administration on windows platforms, C Programming and use of databases. |
| 1996-2000 | **Secondary studies** |
| | I.E.S. La Malladeta |

| Languages | Other information |
|-----------|-------------------|
| **English** | Two applications on the Sitecore´s marketplace. |
| **Spanish** | Currently focusing my training on Azure, |
| **Catalonian** | Microsoft Search and towards obtaining the |
| | MCSD: Web applications and Microsoft Certified: |
| | Azure Solutions Architect Expert |
